Who Owns the Cloud: Google or God?

Luke 21:25-36

There is a Second Advent in scripture.

Luke describes it in our lesson for the day: "At that time they will see the Son of Man coming in a cloud with power and great glory . . ."

Christians ought to be excited about the future.

We live in anticipation in the second place, because we also know God does not forget His own.

Advent reminds us that the victory is already ours.

Realized eschatology--enjoying the wonder and the majesty of the victory, even though it is yet to be accomplished.
